

Interview Summary

A telephonic interview took place on March 22, 2010 to discuss U.S. 10/646,970. The participants were Magdalene K. Sgagias, Anne Marie Falk, Peter Paras, Rebecca Kaufman, and David Ayares. The claims discussed were 19-21, 43, 48, 60, 62 and 66. Applicants respectfully note a typographical error in the Examiner's Interview Summary Record mailed on July 9, 2010 wherein claim 42, rather than claim 43, is noted as discussed.

The allowable subject matter was discussed as were draft claim amendments. The Examiner and her Supervisors requested that the Applicants file a response to the office action presenting the draft claim amendments, which would then be formally considered.

Respectfully submitted,
/MONIQUE KIERLIN-DUNCAN/
